**Each year many of our seniors living in Clare County struggle with the holiday blues. They dread facing the holiday season alone without friends or family, some with the isolation of being a widow or widower. Clare County Senior Services has one priority this holiday season and that is to bring a little holiday cheer to our beloved homebound seniors, along with a new pair of socks to warm their hearts and feet! You can help us make the season a little brighter for our seniors by donating a new pair of socks.**
